Energy Alliance Program ~Participation Authorization~

Yes, we are interested in procuring energy supplies and services through the Cayuga County Chamber Energy Alliance ("Alliance"). In signing below, we are indicating our consent and authorization:

- For our electric/gas utilities to provide data (which will be kept confidential) about our energy usage and costs that may be requested by the Alliance, its consultants (EnergyNext, Inc.) and selected suppliers.
- For the Alliance to include our name listed as a potential power purchaser for the purpose of supporting competitive bid documents to be issued by the Alliance to providers of energy supplies and services.

Note: The execution of the Participation Authorization is **not** a commitment by this organization, or an obligation to contract for electricity/natural gas through or in conjunction with the Alliance. No commitment or obligation will be required until pricing offer and agreement is presented and accepted.
