COMMERCE

Our Mission Statement:

To advocate as the voice of the business community, provide value-added services to our members, and facilitate collaboration that supports economic development for the greater good of Cayuga County

Hear from some of our members:

"As a local banker in Cayuga County, I take advantage of the different opportunities the Chamber offers that allow me to be active and visible in my community. Attending Business After Five and Business At Noon events for social networking, serving on various short term committees and on going programs like The Ambassadors Council allows me to promote the Chamber and the benefits offered to local business and business owners. The social and business events are well attended by influential people in the community that I would not normally have the opportunity to meet and talk to. Join the Chamber! Be a part of your business community, the rewards are endless, the friendships are forever!"

*-Michelle Barber, Branch Manager
Five Star Bank*

"As a well established member of the Cayuga County Chamber of Commerce, the Holiday Inn Auburn has always been proud to support and belong to the chamber. We feel that the benefits of membership begin with knowing that in supporting the Chamber we are also stating that we believe doing business in Cayuga County is an endeavor of which to be proud. We feel that our membership shows that we support the community and in return the Chamber assists us with many of our business needs."

*-Linda Knight, General Manager,
Holiday Inn Auburn Finger Lakes*

"I'm so grateful to the Chamber for helping me to bring my business dream to reality. At a stressful time they took charge scheduling press releases with ribbon cutting ceremonies, articles and advertising that was too overwhelming for me to even think about at that time. They have connected me with other local business owners and the community offering us business and exposure. The staff is welcoming and now feels like a part of the Mema's team. I encourage anyone just starting out to join."

*-Tammy Busce, Owner,
Mema's Deli & Sweet Shoppe*

"The benefits of our Chamber membership are two fold. First, we have access to the Chamber conference room for our monthly Board meetings. Second, we're able to reach out to hundreds of business with information about our events and activities through the Chamber Newsletter. We look forward to greater networking opportunities as we move to the future."
